*Or from his book "Rejection"*

**Note: Bracketed areas added by Pastor Bob Adkins**

Presented by Pastor Bob Adkins

Dec. 2010

1. Introduction (Rejection pg 1-2)

**Hebrews 4:9-11 (KJV) There remaineth therefore a rest to the people of God. For he that is entered into his rest, he also hath ceased from his own works, as God *did* from his. Let us labour therefore to enter into that rest, lest any man fall after the same example of unbelief.**

**Rejection is a form of unbelief.** It is as dangerous as I believe itself. It is as dangerous as faithlessness. Rejection is a form of unbelief because Rejection **says that you are not accepted of God, and in order to be accepted of God. You have to be accepted of man first. It sets man as your God** by declaring that who you are and who you are not rests on a human who accepts you, or does not accept you. That makes God a liar.

**There are no other beings  
Greater than God.  
They did not exist.**

If you make man your God and also whether someone accepts you or not as the basis of your righteousness and your acceptance by God, then you are in idolatry -self-idolatry and idolatry of man. Idolatry is the first of the Ten Commandments that brings a curse to the third and fourth generation (Exodus 20:5).

**[Exodus 20:5 (KJV) Thou shalt not bow down thyself to them, nor serve them: for I the LORD thy God *am* a jealous God, visiting the iniquity of the fathers upon the children unto the third and fourth *generation* of them that hate me;]**

... You are known of God and accepted of God through Jesus Christ, and you have to accept that. You have accept that you are no accident because if you say you are an accident, then you made God a liar.

2. **Cortisol** (AMEW 2009 pg 200-203)

... Cortisol is important in *fight* or *flight* but, if it is present on a long-term basis, it destroys your immune system. What God created for us to help fight an enemy has now turned on us and has become the destroyer of our lives.

According to medical information, long-term over-secretion of cortisol has direct physiological effects on the following functions (reading from the *pathophysiology* chart): "carbohydrate and lipid metabolism, protein metabolism, inflammatory effects, lipid metabolism, immune reserve, digestive function, urinary function, connective tissue function, muscle function, bone function, vascular system and myocardial function and central nervous system function."

"Cortisol directly influences immune responses to antibodies... Cortisol inhibits the production of both macrophages and helper T cells cause a decrease in B cells and antibody production...."

Now begins the destruction of the immune system. What is destroying the immune system? ... According to the medical community it is fear, anxiety and stress. What did Proverbs 17:22 say? A broken spirit drieth up the bones.

**Proverbs 17:22 (KJV) A merry heart doeth good *like* a medicine: but a broken spirit drieth the**

## **bones.**

The ongoing over secretion of cortisol continues immunosuppression, decreased lymphocytes and monocytes, decreased circulating lymphocytes and decreased macrophages. Right here. The negative effects begin. Right here we have the breaking down of the immune system. When you have the breaking down of the immune system as we are about to show you, an interesting thing happens with the B cells.

When you have a reduction of B cells at this level, antigen-antibody relationships develop. Your body starts attacking everything. That is what an allergy is. The antigen becomes the enemy, but the antigen is the food you need. Now the body is eliminating what it needs to have in order to stay alive.

Could I say this, "*As the person disappears into fear and disappears into the self-rejection mode, the body takes on a profile of death.*" Why? Because the person has been murdered. *Spiritually murdered!* ... When you deny your existence as God sees you and reject yourself. In creation, a spirit of death comes to agree. *Numerous diseases are the result of this spiritual dynamic.*

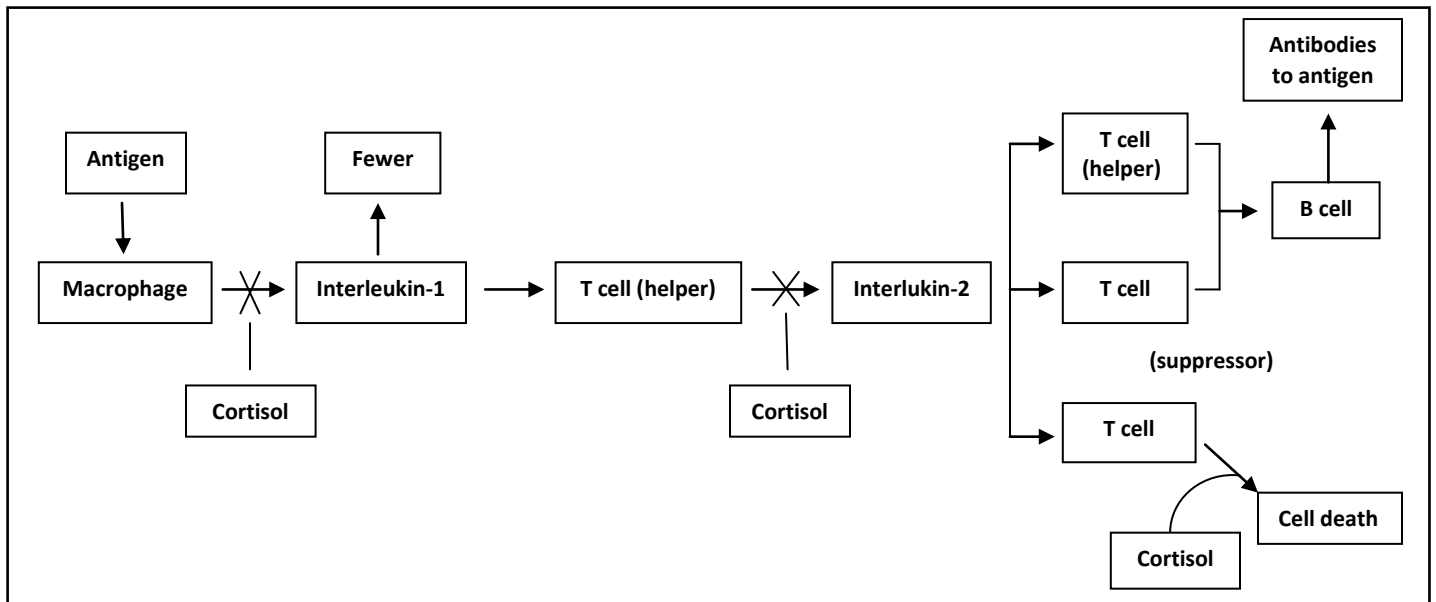

... As fear and anxiety are moving inside you, hormones are released to the  $\alpha$  (alpha)  $\beta$  (beta) receptors and all parts of your body are affected. The physiological actions of the alpha and beta receptors: you have muscles affected, blood vessels affected, the urinary tract affected, gastrointestinal tract affected, smooth muscle contraction, some vascular beds, increased insulin secretion, myocardial contraction and you have all smooth muscle relaxation (bronchi, blood vessels, etc.). Everything concerning your entire physiological body is now under attack. Gastrointestinal, cardiovascular, endocrine, neurological systems - everything you are in creation is now taking a hit from fear and anxiety.

Catecholamines include epinephrine, norepinephrine and dopamine. Let's take a look at the physiological effects of the catecholamines now being secreted because of anxiety and fear long-term, not to your benefit but to your harm. Look at the parts of the body affected: the brain, glucose metabolism, blood flow, cardiovascular, pulmonary, muscle, liver, skin, skeleton, gastrointestinal system and lymphoid tissue. All the systems of your body are now being aberrated - are being attacked - and are changing and are being forced to do something they were not designed to do.

... Continuing to read a *Pathophysiology: The Biologic Basis of Disease in Adults and Children*:

This is how cortisol affects cell-mediated immunity:

Cortisol inhibits antigen-stimulated production of the peptide interleukin-1, macrophages, decreasing the initial recruitment of T lymphocytes. Cortisol also inhibits production of interleukin-2, reducing secondary operation of helper as suppressor T lymphocytes. Depending in part on the ratio of these two cell populations, production of anti-body to the original antigen may be either facilitated or retarded. In some species, large doses of cortisol are a lymphocytotoxic, causing cell death.

What we are looking at is the antigen and macrophage and the progression all the way down as cortisol is increased [referring to the mid to lower - right hand side] - here are your T cells, here's cortisol and here's cell death. [referring to the upper right hand side] Over here are T cells, helper cells and B cells. When you have this happening, [referring to the T-cells on the right hand side] this over here [is] suppressed and these [once] suppressed, [referring again to the upper right hand side] you have antibodies to antigens and there is what an allergy is.

When you can get your T cells, you're B cells and your killer cells up to normal and get the secretion of cortisol stopped, the immune system will heal itself. When the immune system is healed, the antibody to antigens no longer exists and this is why you can drink milk when before you could not drink it. That is why you can be around certain smells today when the port you could not. It is because the foundational material that creates this mess is gone and there is nothing left to stimulate it. *That is exactly where we are in ministry. We want to remove the parts and pieces that allow the foundation of this disease to get a foothold.*

Let's go a little further. What causes the over-secretion of cortisol? *Fear/Anxiety/Stress.*

These are the long-term problems relative to the *resistance* and the *exhaustion stage* of the fear/anxiety disorder. Carbohydrate and lipid metabolism are affected. Protein metabolism is affected. There are inflammatory effects such as lipid metabolism, the immune reserve, digestive function, urinary function, connective tissue function, muscle function, vascular system, myocardial function and central nervous system function. Concerning the physiologic effects of cortisol, there are many problems; for example, a decreased proliferation of fibroblast connective tissue (which delays healing and decreases bone formation and somehow modulates perceptual and emotional functions)...

### 3. Prerequisite For Victory (Rejection pg 2-3).

**You cannot defeat Rejection.  
unless you have dealt with.  
Bitterness  
and  
Envy and Jealousy**

You cannot defeat Rejection unless you have dealt with Bitterness and Envy and Jealousy in your life. It is impossible because you do not have any tools to work with. You may want to be free of Rejection, but if you do not have Bitterness, Envy and Jealousy settled in your life spiritually, you will never stand in your freedom from Rejection. It is impossible. It is quite the paradox. Rejection is a **doorway** for Bitterness and Envy and Jealousy, but you cannot defeat Rejection until you have defeated Bitterness and Envy and Jealousy.

Hebrews 4 talks about a place of rest. Not Bitterness within you. It's a place of rest. Not having Envy or Jealousy is a place of rest. Not having any feelings of Rejection is a place of rest.

Hebrews 4:11 says, "Let us labor therefore to enter into that rest" of freedom from Bitterness, freedom from Envy and Jealousy, and freedom from Rejection. That is the rest that God has purposed for you from the foundation of the world. Unbelief will keep you from going into that rest.

**Hebrews 4:11-12 (KJV) Let us labour therefore to enter into that rest, lest any man fall after the same example of unbelief. For the word of God is quick, and powerful, and sharper than any twoedged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the heart.**

It says, "thoughts and intents of the heart." That does not mean soul; it means spirit. As a man thinks in his heart, so is he (Proverbs 23:7).

### 4. A Mixture (rejection pg 3-6)

Who you are could be a mixture of two kingdoms, spiritually. If you are not a mixture, you would not need to be sanctified. Even though it was a finished product at the cross, when you became born again it was not a finished product in your personal life. What Christ did is a completed work. **Now it is something you have to appropriate to your life in your generation.** He made it possible.

If Christ had not finished it at the cross, it would not be possible for you to be free of anything because He would not have defeated it. Because He has defeated it does not mean that you do not have to perpetrate it. Half the church is walking around today claiming that they are free without appropriation and yet wondering why they are insane and have diseases. They are confessing the freedom without the appropriation. **Promise without discernment is still bondage...**

**1 Corinthians 2:11 (KJV) For what man knoweth the things of a man, save the spirit of man which is in him? even so the things of God knoweth no man, but the Spirit of God.**

God knows the thoughts of a man's heart because the Word of God is a discerner of the thoughts and

intents of the heart (Hebrews 4:12). Jesus is the Word of God. If He knows the number of the hairs of your head (Matthew 10:30), of course, He knows your thoughts.

The devil does not know your thoughts because he is not omniscient. He is a created being himself. He does not have the facilities of omniscience. It does not have the facilities of being omnipresent. He does not have the facilities of being omnipotent. He does not have the facilities of being omnificent. He is a created being, but the devil project thoughts into you. God the Holy Spirit can also project thoughts into you.

Do you know how the devil knows your thoughts? He will give you a thought and then you do it. He knows it is exactly what he put into your mind. You think he is reading your mind. Now, he gave you the thought, you acted on it, and he set back to see if you listened. You didn't listen. You meditated on it, you went into motion, and you did it.

... The Bible says in 1 John, that whosoever is born of God cannot sin, but whosoever sinneth is of the devil.

**1 John 3:8-9 (KJV) He that committeth sin is of the devil; for the devil sinneth from the beginning. For this purpose the Son of God was manifested, that he might destroy the works of the devil. Whosoever is born of God doth not commit sin; for his seed remaineth in him: and he cannot sin, because he is born of God.**

**Rejection is sin. Envy and Jealousy is sin. Bitterness is sin.** It is as much sin as murder, homosexuality, strife, adultery, or fortification.

James 2:10 says that if you offend in one point of the law, you are guilty of all the law. If you went ahead and said, "Well, this is a sin that God likes, and this is a sin that God does not like. I go to church, I keep the Sabbath, I paid my tithe, I give to the poor, and I do all these good things." But if you have unforgiveness in your heart, it is as much a sin as adultery.

When you look at Romans 1, Galatians 5 and Mark 7 at the definition of sin, you will find that strife and murder are in the same chapter, in the same verse. Adultery and strife are found together as equals, as copartners.

**Romans 1:29-30 (KJV) Being filled with all unrighteousness, fornication, wickedness, covetousness, maliciousness; full of envy, murder, debate, deceit, malignity; whisperers, Backbiters, haters of God, spiteful, proud, boasters, inventors of evil things, disobedient to parents,**

**Galatians 5:20-21 (KJV) Idolatry, witchcraft, hatred, variance, emulations, wrath, strife, seditions, heresies, Envyings, murders, drunkenness, revellings, and such like: of the which I tell you before, as I have also told *you* in time past, that they which do such things shall not inherit the kingdom of God.**

**Mark 7:21-22 (KJV) For from within, out of the heart of men, proceed evil thoughts, adulteries, fornications, murders, Thefts, covetousness, wickedness, deceit, lasciviousness, an evil eye, blasphemy, pride, foolishness:**

The Word of God is quick and powerful and is a discerner of the thoughts and intents of the heart. There is a difference between a thought and an intent. You cannot have intent without a thought, but you can have the thought and not have the intent. It just is the thought set into motion. You can have unforgiveness in your heart as a thought, but you cast it down as an imagination and it does not go into motion. **Temptation is not sin.** You can have every evil thought known to man and if you do not have the intent behind it and put it into motion, it is not sin to you. It is just temptation.

Maybe Rejection has become so much part of your life and nature that you would not know what to do without it. It is going to be scary for you to exist without Rejection being part of your thinking. You are spending 80% of your time preparing to be rejected and then convincing yourself that you are. If that is not good enough, you go ahead and create a scene somewhere to make sure you are rejected.

#### 5. **An Evil Spirit** (Rejection pg 7-8)

**Rejection is an evil spirit.** It is not an emotion, it is not a concept, it is not a philosophy, it is not ideology. **Rejection is a living being - an invisible, disembodied entity.** Its name is Rejection and manifest by its nature wanting to become part of your nature so that two of you can be one together. It means you. You are the medium and it is the spokes man. It is the parasite and you are the carrier. To rejection, you are a medium of existence in the physical world and a medium of conversation.

... **The foundation for freedom is the feeding Bitterness, Envy and Jealousy, and Rejection.** They have to be brought under control at all cost in your life...

Your battle is in relationship with God, yourself and others. That is the foundation for disease and that has to be resolved before healing can come. You must resolve your relationship with God. You must accept yourself and who you are. You must make peace with your brother. If you do not, you are not going anywhere in the rest of the areas of your life without great difficulty.

#### 6. **Evil Manifests** (Rejection pg 8-9)

Evil spirits are alive. They are living beings. They just do not have a body. They are a spirit being just as real as God is. They are spiritual parasites. If you could look into the spirit world, you would see them just as surely as you are looking at me setting in the physical world. They are alive spiritually. When they speak through you, it is the spirit using your vocal cords and your facilities to speak their intent. So when that old thing comes up and spews out of your mouth, it was not you talking anyway. It was the evil spirit manifesting itself by its nature and using your facilities. Your five senses, your vocal cords and your poor old brain. You went down, it came up. It sprouts off and you get trouble. Then it laughs at you.

... **If the thoughts of your mind do not line up with the Scriptures, it is not of God.** There is no middle ground. The top of this fence is not 50 feet wide with you setting on it. **You are either in the kingdom of God or you are [listening to and following]... the kingdom of the devil, every minute of your day.** It is as simple as that. There is no neutral territory here.

The Word of God is coming to show you the very thoughts of your heart - to split you wide open, to X-ray you all the way to your toenails and to help you look inside and see what is not you. That which is

not you has to go and you get to stay because this is your turf. God has created you to be on this planet, to rule it, subdue it and live in peace and rest.

If you have Rejection, you have an evil spirit. If you have Bitterness, you have an evil spirit. If you have Envy and Jealousy, you have the indwelling presence of an evil spirit.

When God created Adam and Eve, he said. It was very good and there was no Bitterness, there was no Envy and Jealousy, and there was no Rejection. There was innocence. There was no evil.

Paul said in Romans, through one man sin entered into the world.

**Romans 5:12 (KJV) Wherefore, as by one man sin entered into the world, and death by sin; and so death passed upon all men, for that all have sinned:**

Sin came from somewhere else into the realm of man. It came from outside - from the spiritual dimension into the physical dimension in the realm of the spirit. The doors were opened, the floodgates were released and every being that fell with Lucifer poured into the second heavens surrounding this planet. That included fallen angels, devils, principalities and powers, spiritual wickedness in high places, and the rulers of darkness of this world, all of them. They immediately have access to Adam and Eve, their children and their posterity, forever. They are still here today.

## 7. **Legal Right** (Rejection pg 10-12).

Do not be afraid of evil because the curse causeless does not come.

**Proverbs 26:2 (KJV) As the bird by wandering, as the swallow by flying, so the curse causeless shall not come.**

If you are serving God, there can be 14 million devils around you, yet they cannot touch you because there is no legal right. You give the Devils a legal right yourself. Your ancestors did to... Somewhere in your life, your family or your ancestors cursed you, or someone opened the floodgates for these critters to come in and oppress you. Now, the Lord has come that you might be free.

**Hebrews 6:7-9 (KJV) For the earth which drinketh in the rain that cometh oft upon it, and bringeth forth herbs meet for them by whom it is dressed, receiveth blessing from God: But that which beareth thorns and briers is rejected, and is nigh unto cursing; whose end is to be burned. But, beloved, we are persuaded better things of you, and things that accompany salvation, though we thus speak.**

This is an illustration of those that are following God and those that are not. Some people are like the fruit of the field a blessing of the grains, the props, the plant and the corn, the wheat, the apples, and all the stuff that we eat for blessing, which we enjoy eating. Some people are another kind of fruit that bear thorns and briars and are rejected, nigh unto cursing. The only way to remove the bad fruit is to burn it. That is a type and a shadow of the Lake of Fire and the removal of evil from the earth that has been plaguing mankind.

... If you want to run on the wrong side of the road at 60 miles an hour, you are going to have a

"malfunction in your junction" before the day is over with. If you continue to allow Satan to speak through you, act through you, use you, possess you and rule you in these areas, you are going to be like a car on the wrong side of the road. You are going to have a wreck. When you wreck you are going to blame everybody else but yourself because Rejection always blame someone else. Bitterness always blame someone else. Envy and Jealousy always blame someone else. **Rejection always blames someone else - it never takes responsibility for is our actions.**

8. **Our Battle** (Rejection pg 15-18).

**Ephesians 6:11 (KJV) Put on the whole armour of God, that ye may be able to stand against the wiles of the devil.**

The word *wiles* is the Greek word ***methodeia*** (Strong's #3180), which means methods, schemes, devices. This scripture is telling us to stand against the devices or the methods of the devil.

Jesus believes in the devil. He said, "I saw all Satan fall like lightning from heaven." (Luke 10:18)

He took a stand against the devil. Paul said that many people are in opposition to themselves, because the devil has taken them captive at his (the Devils) will.

**2 Timothy 2:26 (KJV) And *that* they may recover themselves out of the snare of the devil, who are taken captive by him at his will.**

The devil is real; he is Lucifer.

**Ephesians 6:12 (KJV) For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high *places*.**

That word *wrestle* is the Greek word ***palē*** (Strong's #3823) and means warfare. Our warfare is not against flesh and blood.

When someone does evil to you, the thought comes very easily and very fast to make him or her evil in your mind. You retaliate against them with evil very quickly in return. Rejection always retaliates because it allows Bitterness to have an open door. Retaliation is the third underling of Bitterness. If Bitterness has not been dealt with, retaliation is still able to manifest.

... Your battle is not with what the person does to you. Your battle is with the principalities and powers in that person making them do what they are doing God loves the person who does evil. God loves murderers... God loves any person who is not allowing evil spirits to operate through them. He hates the evil, but he loves the person. Evil separates that person from fellowship with and the relationship with Him because they make evil their god by choosing to allow the evil to rule them.

**When you participate with evil, you make evil your god.** Jesus said that to the Pharisees who said, "Our Father is Abraham and our Father is God." Jesus replied: "if your Father were God, you would do the works of your Father. Because you do not do the works of the Father your father must be the devil." **Your battle is not with each other.**

**John 8:39, 44 (KJV) They answered and said unto him, Abraham is our father. Jesus saith unto them, If ye were Abraham's children, ye would do the works of Abraham.**

**44. Ye are of *your* father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it.**

The first requirement for you to be free, not just some Bitterness and Envy and Jealousy but also from Rejection, is that you're going to have to **separate the person from their evil**. You're going to have to exchange Rejection, Bitterness, Envy and Jealousy for compassion because that is the nature of your Father which is in heaven. He has compassion on them, not judgment. The days of judgment are not here. This is the age of grace and mercy.

Your battle is not with the people who have rejected you. Rejection is a sin. When you exchange the Bitterness and the Envy and Jealousy, and the Rejection for compassion, then you are like your Father which is in heaven.

#### **9. Your Words** (Rejection pg 18-19).

**What comes out of your mouth establishes life and death to you.** You can be thinking that in your heart, and it can be just temptation. When you speak it out of your mouth, you establish it in the heavenlies. The only one that can tear those words down is you. Your words are either life or death, blessings or cursing. You shall reap what you sow. If you sow unto death, you shall reap death. If you sow unto life you shall reap life. Your reality is established by the words of your tongue.

The Bible says every word that has been spoken shall stand against you in the Day of Judgment.

**Matthew 12:36 (KJV) But I say unto you, That every idle word that men shall speak, they shall give account thereof in the day of judgment.**

#### **10. Spirits Intertwined with Rejection** (Rejection pg 52-53)

If it was just a simple dealing with Rejection, we could deal with him by himself. But he has interlocked with a braiding, an interlocking and an interweaving, a mixing together of entwining of other realities.

Fear intertwines itself to Rejection.

Rebellion intertwines itself to Rejection.

Fear of Rejection intertwines itself with Fear and Rejection.

Fear of Man intertwines itself with Fear and someone else.

Fear of Failure intertwines itself with Rejection, Fear and taking thought for tomorrow.

Fear of Abandonment intertwines itself with Fear, Rejection and distrust. When you get into distrust, you get into a lack of faith, you get into unbelief and you get into doubt. It is not possible to believe if

you have doubt and unbelief.

Rejection could be held in place by other realities that need to be dealt with also. Sometimes Rejection will not be that easy to pry loose if we do not identify some of the other bondage and entwining that need to be recognized.

## 11. Fruits of Rejection (Rejection pg 53-65)

### a. Barrenness.

Isaiah says,

**Isaiah 54:1 (KJV) Sing, O barren, thou *that* didst not bear; break forth into singing, and cry aloud, thou *that* didst not travail with child: for more *are* the children of the desolate than the children of the married wife, saith the LORD.**

This deals with barrenness. Many ladies are barren and are full Rejection. They feel rejected by God. They feel rejected by their husbands. They have Self-Rejection. They have Self-Hatred. They have Guilt they have never been able to bear children. Rejection and Fear of Rejection, Self-Hatred and an Unloving spirit will produce barrenness.

### b. Miscarriages.

Understand that many miscarriages are the result of an autoimmune problem in which the white blood cells are attacking the umbilical cord, causing a proliferation of white blood cells producing swelling and edema and a closure. They keep the blood, the oxygen and nutrients from getting into the placenta and into the fetus. The child is actually asphyxiating itself in the womb and dies, and that produces the miscarriage. That is coming out of Self-Hatred and Self-Rejection.

We know anxiety and fear can produce frigidity and importance. Fear can produce barrenness. Your endocrine system is a responder to your spiritual realities. Your ovaries are part of your endocrine system if you are a female. The sexual glands of a male and female are part of the endocrine system. In the same way your thyroid can malfunction because of anxiety and fear, or your pineal gland can malfunction and under-secrete serotonin because of Self-Rejection, so can sexual glands over- or under- secrete. The whole biological processes of procreation can be affected.

### c. Shame

Shame, the unloving, unclean spirit comes with Rejection. The following feelings also come with Rejection: "I do not feel like I belong. No one loves me. They are just lying to me. I know I am no good. I know I do not belong here. Oh, do not look me in the eye. I cannot stand it when you do that. Do not tell me I am loved. I am not worthy. I am guilty. I am no good. I am so full shame."

In some cases, Rejection and Shame will take you to addictive drugs just to kill the pain of it. That is the root of all addictions. You just cannot stand the feeling of Rejection and Guilt and

Shame so you need a chemical fix. The root for all addictions is Fear, Shame, Guilt and Rejection. There is the need for an identity.

#### d. Run and Hide

Rejection, Shame, Fear of God, and Fear Rejection caused Adam and Eve to run into the bushes and hide. It will cause you to run somewhere and hide also. When you're hiding, you are not in faith or in peace. You are in fear.

... **Rejection will not let you deal with the problem.** It will cause you to run and hide.

#### e. Spiritually Widowed and Spiritually Fatherless

Isaiah says,

**Isaiah 54:4 (KJV) [Fear not; for thou shalt not be ashamed: neither be thou confounded; for thou shalt not be put to shame: for thou shalt forget the shame of thy youth,] and shalt not remember the reproach of thy widowhood any more.**

This is the context of a relationship with God. There is a three-dimensional approach to the scripture. There is a statement between God and his people back then. There is a statement between God and his people in the future. There is a literal spiritual approach to you and your relationship to God personally right now, today.

One of the things I deal with the ministry is Rejection of the woman by her father and by her husband. Both the man as father and the man as husband represent God the Father and God the Word, who is Jesus.

When we have a violation of a woman's relationship with her father, it separates her not just from her earthly father, but also from her Father God. There are spirits that come to make sure this happens. The Fear of her father is transferred to Fear of God.

If the husband violates his relationship with his wife and is not to the woman as Christ is to the church, then the woman has a fear of Jesus. She has a fear of the husband, she has a fear of Jesus, she has a fear of God, she does not feel loved and there is Rejection.

... Many females whose fathers are still alive and whose husbands are still alive, but the father and the husband might as well be dead because they leave them spiritually fatherless and a widow spiritually... Females who are married but there is no connection between them and their husband. She has a spiritual widow... females whose fathers are alive, but there is no connection between them and their father whatsoever. He is spiritually dead. Spiritually, she is fatherless. Whether the father is alive or dead, whether husband is alive or dead, does not make any difference. The spiritual dynamics are still the same. We have someone dead in the relationship.

... The father loves you. Jesus loves you.

The spiritual breach of your widowhood is healed forever. The spiritual breach of your fatherhood (no father is present) is healed forever... your real father is God and your real husband is Jesus. No one else counts...

#### **f. Rebellion**

Rebellion is a fruit of Rejection. You would never have rebellion. If you are accepted. If you want to stop rebellion in children, it has to begin with the sentence, but it has to begin early on. It has to begin with parents who have spiritual understanding and can break the curses of inheritance and get involved with that child.

If the mother is pregnant with the child, the parent should begin breaking the curses immediately upon the knowledge of conception. Come before the Lord, acknowledge what is in the family tree and get involved. You would be surprised how productive that will be when the child is born. Most of us were never taught spiritual things.

If a parent says, "Do not do as I do, but do as I say," you have had it. That is an open doorway for rebellion because it is a double standard. It is double minded, and the child will lose all respect. Obedience comes out of respect. Rebellion comes out of no respect.

**Proverbs 1:8 (KJV) My son, hear the instruction of thy father, and forsake not the law of thy mother:**

When the children do not obey the law of the mother, the mother in my family says, "if you do ...

#### **g. Following False Religions**

The fruit of Rejection is pretty interesting. People follow false religions, false prophets, false teachers and churches that lead people astray because they have no identity. False prophets are established because they have no identity. Divination comes up in people who have no identity. The devil wants to give you a counterfeit for God's identity. The devil wants to give you an identity because he is the one that stripped you from your identity. Then he comes along and gives you another one that is of his liking, but it includes a perversion.

Individuals who have no identity developed false religions and cults. People who follow them are people who have no identity and are looking for an identity because of Rejection. They are looking for state of being.

What God is doing with you and the reconstruction of you should happen to the degree that you will develop without any concern about it. If you're concerned about who you are in the church, you have an identity crisis. If you are concerned about your position in the church, you have an identity crisis. You have Rejection.

#### **h. Wrong Desire for Spiritual Gifts**

Another fruit of rejection in the church is the wrong desire for spiritual gifts as a means of

securing status and recognition. These desires are motivated because there is Rejection and lack of identity. There is something in them, which is Rejection, saying: (I want to be known.) They want to be known as (the known ones) in the midst of the lesser ones.

... People who have rejection do not want to serve. They want to be recognized. They want to set in the seats of preeminence. They want to be called Sir and ma'am...

**The need for recognition  
reflects Rejection and lack of identity.**

... There is something else in the church coming out of Rejection, and that is false prophecy and divination, which is words of knowledge that are soulish.

... Rejection produces matriarchal control. It produces legalism. It produces Pharisaism. Any need for identity and the need to be accepted by man are rooted in Rejection. If you need someone else's approval, then you have a spirit of Rejection. If you're watching someone facial features, as to whether they are smiling at you or they are not smiling at you, then you have Rejection. If you are following someone around with your eyes to see if they notice you or they do not notice you, then you have Rejection. If you care about what other people think about you and meditate on it, then you have Rejection.

**12. Block to Healing - Not Being Honest and Transparent (AMEW 2009 pg 329-332)**

- a. The tenth block to healing is *not being honest and transparent*.

Two big reasons for not being honest and transparent are fear and pride. You may ask "what do you mean by fear?" the answer would be Fear of Rejection, Fear of Man, Fear of Failure, Fear of abandonment and Fear of not being loved. The pride issue is very dangerous because it makes you appear holy when you are not and you are stuck with a real problem. This is a fraudulent existence. In other words, you are living a lie. It is a high price to pay because pride produces a fall and much disease.

**Proverbs 16:18 (KJV) Pride goeth before destruction, and an haughty spirit before a fall.**

... What are you afraid of? God already knows. God knows everything. He knows you so well that the hairs of your head are numbered. He knows the secret thoughts of your heart...

James tells us to confess our faults one to another that we may be healed.

**James 5:16 (KJV) Confess *your* faults one to another, and pray one for another, that ye may be healed. The effectual fervent prayer of a righteous man availeth much.**

Galatians 6:1 tells us if a brother is overtaken in a fault, those of you who "*consider yourself*" spiritual, restore such an one in a spirit of meekness and consider yourself also, lest you be tempted in like manner and fall away. verse 2 says bear ye one another's burdens and so ye fulfil the law of Christ.

**Galatians 6:1-2 (KJV) Brethren, if a man be overtaken in a fault, ye which are spiritual, restore such an one in the spirit of meekness; considering thyself, lest thou also be tempted. Bear ye one another's burdens, and so fulfil the law of Christ.**

It is a scary thing to be transparent these days... Why is it so important to be transparent and confess our sins to God and to each other? Proverbs 28:13 gives us a clue...

**Proverbs 28:13 (KJV) He that covereth his sins shall not prosper: but whoso confesseth and forsaketh *them* shall have mercy.**

Isaiah said this about God:...

**Isaiah 57:15 (KJV) For thus saith the high and lofty One that inhabiteth eternity, whose name *is* Holy; I dwell in the high and holy *place*, with him also *that is* of a contrite and humble spirit, to revive the spirit of the humble, and to revive the heart of the contrite ones.**

***Do you know where God is?  
Right there in your mess, transparent one!***

God can be found with a humble and contrite heart. This made David a man after God's own heart, in spite of sin and in spite of inherited sin.

**Psalms 51:5 (KJV) Behold, I was shapen in iniquity; and in sin did my mother conceive me.**

This is because he had a perfect hatred for evil in the end. When he was convicted, he repented and turned away from it (read Psalm 51:1-17...) ... this psalm is the best foundation for the sinner's prayer you can find. It just says it all. Then, in the end, David says, in essence, "And I will convert sinners." In other words, when he had finished repenting, he is trying to get someone saved! ...

**Psalms 51:1-17 (KJV) Have mercy upon me, O God, according to thy lovingkindness: according unto the multitude of thy tender mercies blot out my transgressions. Wash me thoroughly from mine iniquity, and cleanse me from my sin. For I acknowledge my transgressions: and my sin *is* ever before me. Against thee, thee only, have I sinned, and done *this* evil in thy sight: that thou mightest be justified when thou speakest, *and* be clear when thou judgest. Behold, I was shapen in iniquity; and in sin did my mother conceive me. Behold, thou desirest truth in the inward parts: and in the hidden *part* thou shalt make me to know wisdom. Purge me with hyssop, and I shall be clean: wash me, and I shall be whiter than snow. Make me to hear joy and gladness; *that* the bones *which* thou hast broken may rejoice. Hide thy face from my sins, and blot out all mine iniquities. Create in me a clean heart, O God; and renew a right spirit within me. Cast me not away from thy presence; and take not thy holy spirit from me. Restore unto me the joy of thy salvation; and uphold me *with thy* free spirit. *Then* will I teach transgressors thy ways; and sinners shall be converted unto thee. Deliver me from bloodguiltiness, O God, thou God of my salvation: *and* my tongue shall sing aloud of thy righteousness. O Lord, open thou my lips; and my mouth**

**shall shew forth thy praise. For thou desirest not sacrifice; else would I give *it*: thou delightest not in burnt offering. The sacrifices of God *are* a broken spirit: a broken and a contrite heart, O God, thou wilt not despise.**

... You do not have to worry about me condemning you. Who am I to condemn you? My rap sheet is probably longer than yours!

God hates pride, hypocrisy and fraud. But we are so afraid of each other and have been so murdered by each other that we cannot even trust each other anymore. This is in the Christian Church.

**1 Peter 4:8 (KJV) And above all things have fervent charity among yourselves: for charity shall cover the multitude of sins.**

**1 John 4:18 (KJV) There is no fear in love; but perfect love casteth out fear: because fear hath torment. He that feareth is not made perfect in love.**

Aren't you glad He is our Father? Amen!
