

# *Revival*

I hear the voice of one crying - I hear the voice of one crying  
Prepare ye - Prepare ye the way of the Lord

I hear the voice of one crying - I hear the voice of one crying  
Prepare ye - Prepare ye the way of the Lord

Make His path straight - Make straight His path in the wilderness  
And let His light shine - Let His light shine in the darkness  
And let Your rain fall - Let Your rain fall in this desert

I hear the voice of one crying - I hear the voice of one crying  
Prepare ye - Prepare ye the way of the Lord

As sure as gold is precious and the honey sweet  
So You love this city and You love these streets  
Every child out playing by their own front door  
Every baby laying on the bedroom floor

Every dreamer dreaming in their dead-end job  
Every driver driving through the rush hour mob

I feel it in my spirit feel it in my bones  
You're going to send revival - Bring them all back home

I can hear that thunder in the distance  
Like a train on the edge of the town  
I can feel the brooding of Your Spirit  
Lay your burdens down - Lay your burdens down

From the preacher preaching when the well is dry  
To the lost soul reaching for a higher high

From the young man working through his hopes and fears  
To the widow walking through the veil of tears  
Every man and woman every old and young  
Every father's daughter every mother's son  
I feel it in my spirit feel it in my bones  
You're going to send revival - Bring them all back home

I can hear that thunder in the distance  
Like a train on the edge of the town  
I can feel the brooding of Your Spirit  
Lay your burdens down - Lay your burdens down

ohhhh - Revive us - Revive us - Revive us with Your fire

From the preacher preaching when the well is dry  
To the lost soul reaching for a higher high  
From the young man working through his hopes and fears  
To the widow walking through the veil of tears  
Every man and woman every old and young  
Every father's daughter every mother's son  
I feel it in my spirit feel it in my bones  
You're going to send revival - Bring them all back home

I can hear that thunder in the distance  
Like a train on the edge of the town  
I can feel the brooding of Your Spirit  
Lay your burdens down - Lay your burdens down

ohhhh - Revive us - Revive us - Revive us with Your fire  
Revive us - Revive us - Revive us with Your fire  
Revive us - Revive us - Revive us with... Your... fire...
